## Emerging Challenges in Credit & Collections

WEDNESDAY,  
DECEMBER 18, 2024

9:00 AM - 10:00 AM CT

### JOIN OUR NEXT WEBINAR

This presentation delves into key strategies and best practices for navigating and overcoming these emerging issues in credit and collections including:

- Balancing increased workloads with fewer resources.
- Shifting focus to enhance customer experience and satisfaction.
- Integrating and leveraging various credit automation tools.
- Emphasizing managing costs rather than just reducing them.
- Managing credit for both local and global sales.
- Incorporating new technologies into existing processes.
- Implementing systems for timely and accurate financial reporting.
- Utilizing data analytics to forecast and mitigate risks.

- \$65 for BCMA/WCA Members
- \$79 for Non-Members

Each connection will be charged to join the program. Unlimited attendees connecting from a single connection will be charged just one fee.

You will receive webinar access instructions and handouts the week prior to the Webinar.
